

Director's Rule

Title Standard, Connection and Administrative Charges—Sewer Services	Number FIN-210.1	Rev. no. 0
Responsibility Finance Division	Supersedes N/A	Pages 1
SPU Director's Approval	Effective Date January 1, 2012	

1. PURPOSE

To set fees for special recurring and nonrecurring wastewater services provided by Seattle Public Utilities.

2. RULES

- A. Sewer submeters are meters installed by customers on their own property that measure water or water/effluent entering or not entering the wastewater system.
- B. The sewer submeter set-up fee covers plan review, inspections and billing initiation.
- C. The following are the sewer submeter set-up fees:

Set-up Service	Fee
Initial submeter	\$572
Each subsequent submeter on same account installed at the same time	\$378
